**HRMC**
HURON REGIONAL MEDICAL CENTER
HERE FOR YOU

Babies are complicated – and they don't come with instructions! Now, you can learn about your baby with Huron Regional Medical Center's Baby U maternity club.

There's extensive pre- and postnatal education for parents and breastfeeding moms to help navigate through the questions and anxiety of becoming a parent.

Plus, our experienced nurses provide personalized care and pampering during and after the delivery.

HRMC is here for you. Let us baby you and your baby – oh, and even dad, too!
