Door Prize: All vendors are asked to provide one door prize to be given away during the event. Door prizes are displayed in the Expo Building please bring them in there with you company name or business card attached. (If you hold a drawing or registration at your booth vendor is responsible for notifying the winners.)

Pampering Package: The VIP Pampering Package is a newly formed Women's Expo program. VIP Pampering Packages will be sold to businesses in an effort to increase event attendance. Among many of the perks included in the package is a Pampering Perks Card. You are invited and encouraged to be a part of the Pampering Perks Card. As a vendor, you will be listed on the card. As a participating vendor, you'll need to have a maximum of 150 items to hand out to the women. *A more firm number will be given to you on July 16, but it will be no more than 150.* These items must be something that are already not being handed out. On the Perks Card, only the vendor name will be listed, not the item being handed out. Women know that the vendors listed on the card will be handing out special items to them so they will come to your booth. The purpose of this card is to drive women to your booth to create more sales for you. There is no cost to be a part of this!

Yes, I want to be included on the Pampering Perks Card. I will provide 150 items to hand out to women who hold a Pampering Perks Card.
